TEAMBUILDINGS

Besides our own teambuilding possibilities we also have a lot of other fun options possible together with our partners **Ecco La Luna and Stafort** which can be done in or at our hotel or in range of the hotel. Below you will find an overview of a few teambuilding activities. You can book these at request with our partners. If you have other wishes, they can help you further with the fitting teambuilding for your group!

In or at our hotel

DOMINO EXPERIENCE

Building with dominos will do an appeal to your creativity, communication, concentration and teamwork of the attendees and embodies the risks, pressure and stress that come with working together in big groups and/or projects. The workshop also perfectly stimulates experience based learning and is moreover just fun and exciting.

CASINO XL

At the casino XL you will battle against each other in teams. You can earn money in the casino with gambling, depositing money on the bank or derive to certain interest rates, solving quizzes or to carry out assignments against other teams... But what happens when the bank suddenly crashes or writes a bonus to the first or last team, etc. You can follow the weird changes of the table on a big leaderboard.

FOLK GAMES

Ecco La Luna has a very nice collection of classic and modern folkgames. These can be provided as team building activities in a competition or as an activity with free walk in.

Darts – Kubb – Japanese billiards – Labyrinth – Ring game – Slide table – Table hockey – Tangram – Barrel game – Trou Madame – Jenga – Cheese game – Shuffleboard – Stick catch game – Seesaw – Cube - ...

LASER CLAY SHOOTING

Laser clay shooting is the environment friendly variant of clay shooting with guns that fire an infrared ray to a clay that has been fired by an automatic launch system. Laser clay shooting is absolutely safe for players and spectators. This will be played with 5 players every series.

OFF-ROAD STEPS

Adventure guaranteed. The off road step gives a feeling of freedom. The steps are powered with electricity and have off road tires for more grip. Our steps are charged by solar panels. They are absolutely silent so they do not disturb the nature environment. Everybody who has a good physical condition, can attend to an adventurous step march. The trips can start at the hotel or take place at external location.

Region Beveren

BUGGY TRIPS

Riding with a bugxter is a real discovery trip: escorted by a professional instructor that will make sure everything will go safe and smoothly. Will you make a trip across the most beautiful places in these special two-seaters? Driving a bugxter is not about speed, but discovering the environment on an original way.

On location - Stafort

The fort of Stabroek is the most northern fort of the outer forts around Antwerp. It has been built for WW 1. The symbiose between the nature, adventure and culture is unique. This makes the fort of Stabroek, located close at the Belgian-Dutch border and the A 12, at 15 km from the center of Antwerp the ideal choice for your event. It takes 30 minutes to drive from hotel Beveren to the fort.

A few possibilities:

- Archery
- Archery tag
- Bamboo building
- Laser maze
- Bumper balls
- Laser game
- Paintball
- The mole
- Fort Boyard
- Highland games
- XXL games
- & much more!
